Omaha, Neb. – Vetter Health Services team members completed Comprehensive Dementia Care Training at the Embassy Suites on Aug. 5-6 featuring Erin Bonitto, founder and lead coach at Gemini Consulting Inc.

Vetter Health Services is proud to provide this advanced training to its communities. This marks the beginning of a comprehensive program for all team members, designed to enhance Quality Life and Quality Care for residents with Alzheimer's and other forms of dementia.

For more details about this event, or to schedule your tour of Wheatridge Park Care Center, please contact Lindsay Durler at (620) 624-0130.

"Erin Bonitto is a wonderful hands-on educator who exemplifies excellence. I found this seminar to be very educational and a truly personal experience. I was motivated, inspired, and it gave me energy to take back and to use the tools, WHICH WORKED!!!"

– Jodi Palik, R.N., Assistant Director of Nursing & Memory Support Coordinator, Ridgewood Rehabilitation & Care Center, Seward, Nebraska

"Erin Bonitto provided an amazing experience that will begin the journey to providing World Class dementia care to each and every one of Vetter Health Services' residents and their families. It will give our entire team the tools to build upon our current knowledge and experience of providing the great care we all strive for. This is yet another example of the commitment to excellence that we have come to expect from Jack, Eldora, and the entire leadership team at VHS." – K.C. Bruckner, R.N. – B.C., Director of Nursing, Gering, Nebraska

Wheatridge Park Care Center is one of 30 skilled nursing and rehabilitation communities owned and/or managed by Vetter Health Services (VHS) of Elkhorn, Neb. At Wheatridge Park, the administrator and team members develop plans to continuously improve their services and the facility with the support from the VHS network.

Operating decisions are made locally to assure that Wheatridge Park remains responsive to the needs of its residents and the Liberal community.
