

The N.E.L.L. Yard of the Week, for the week of June 18, goes to Audelia Garcia of 117 E. 8th. St. in Liberal. If stopping by her yard, one will see that a lot of love has went into this yard. Audelia starts out with some nice grass and then accents the yard by adding a large variety of rose bushes and other potted plants. After she was done with the flowers and grass, Audelia added fountains and a very nice walkway, made out of red pavers, in the yard to finish out accenting all the things and different colors in the yard. If you get a chance, stop and walk by the yard Audelia made and admire. In the picture is C.J. Wettstein, left, Haret Garcia, Audelia Garcia and Daisy Garcia. Courtesy photo
