

PARADE POSTPONED

Thursday, 05 December 2013 08:52

The annual Christmas Parade has been moved from Saturday Dec. 7 to Saturday Dec. 14 due to the weather. With 11 degrees predicted for this Saturday, floats and food vendors would not be able to attend. However, next Saturday is predicted to be 48 degrees, which will make for a better day for the parade. The 2013 Ford Focus will be given away at the end of the parade Dec. 14. Entertainment will begin at 3 p.m., and the parade will start at 6 p.m. For further information, contact Earl Watt at 626-0840.
