The Liberal Chamber of Commerce will host a free CNG Vehicle Workshop, which will be an introduction to natural gas vehicles.

Anyone who wants to save more than \$1.50 per gasoline-gallon equivalent by fueling their vehicles with compressed natural gas at Hutch's C-Store on 1580 N. Kansas Ave., is invited to attend.

The workshop will be from 8 to 10 a.m. Tuesday at 4 Rock Island Road, the Depot, in Liberal.

Coffee and donuts will be provided for attendees.
