

Annual street sealing under way

Tuesday, 08 June 2010 09:54

Crews lay down a layer of tar sealant followed by fine gravel Monday afternoon on East Tucker Road on the north side of Liberal. Chip sealing started Monday and will also cover an area west of Kansas Avenue, north of Second Street, east of Western Avenue and south of Eleventh Street. Please remember the city asks citizens to not park on the streets or allow water from lawn watering to run into the streets during this project. The city apologizes for any inconvenience and thanks the public for cooperation. Daily Leader photo/Lauren Vincent
