

## Donating the gift of life

Thursday, 20 January 2011 11:47

---

All available cots are full of donors Wednesday afternoon at the Western Avenue Church of Christ for the local Cimarron American Red Cross blood drive. Liberal manager Sherry Helmke said the day had remained steadily busy. "Our goal was 88 units, but we've had 93 so far," Helmke said, with about two hours remaining in the drive. "It's been a very good day." L&T photo/Jessica Crawford
