Special to the Leader & Times

The SWAT Piranha swim team is looking for a summer coach.

The job might be good for a college student or anyone looking for a part-time job for the summer from June 1 to the middle of August Monday thru Thursday from 6 p.m. to 8 p.m. and then almost every Saturday for swim meets.

The pay is \$10 an hour but must be able to get USA swimming coaching credentials.

The organization is looking for someone who is friendly and has a love for working with kids and be able to teach swimming techniques and sportsmanship conduct.

Those interested can contact Nikki Whitaker at 655-3585 if interested to set up a interview with the S.W.A.T. board members.
