The mini sprints hit the track Tuesday night at the Five State Fair. These are a new size of car Liberal race fans have not seen on the local track. Powered by a motorcycle engine, they pack a punch out on the track without the investment required to own and operate a full-sized sprint car. In other racing events, Angela Eichman took the title in the 100-lap enduro race. The crowd was in control of the race after the fifty lap mark. Every 10 laps the crowd cheered for more.
