

L&T staff report

The West Warriors seventh-grade volleyball A and B teams both finished second in a tournament in Ulysses over the weekend.

Both teams made it to the finals as a top-four team of an 11-team bracket.

The A team finished first in pool A beating Kenneth Henderson, Dodge City Sacred Heart, Hugoton, Moscow, and losing to Kepley.

The B team beat their nemesis Horace Good for the first time this season, and finished second in pool A.

Both teams made it to the championships game, but fell just short of winning. The A team lost to Horace Good in the championship, while the B team lost to Kepley.

The Warriors A team stands at 20-3 with their only losses being to Horace Good twice and Kepley. Great net play by Ash-Leigh Antrim has helped to lead the team, and she has been a force to be reckoned with for opponents.

Their B team has a record of 18-5. Alondra Ochoa showed great hustle and had a lot of touches on the ball all day for the B team.
