USD 480 Challenges All to Achieve Educational Excellence

December 5th, 2012

For immediate release

Head football coach Cliff Abbott and Liberal High School have agreed to part ways. USD 480 would like to thank Coach Abbott for his leadership and time spent at Liberal High School.

Coach Abbott was the Head Coach at Liberal High School for three years. The Redskins amassed a 9-19 record and advanced to the play-offs once during his tenure as head coach. Coach Abbott has strong family ties as well as a construction business in Liberal and will continue to be a proud "Redskin Supporter." We appreciate Coach Abbott's dedication to the football program and his passion to the Liberal community.

USD 480 and Liberal High School will begin accepting applications for Coach Abbott's replacement immediately.
