Tuesday, 08 April 2014 12:45

South and West faced off in a crosstown clash, and the Lady Apaches were able to survive a strong wind in the first half and score the lone goal of the game in the second half for a 1-0 win. West had three shot attempts hit off the crossbar in the second half, but the Lady Apaches were able to get a long shot on goal from 20 yards away that hit off the goal keepers hands and caromed into the goal.
