

The 13-year-old Liberal Rattlers defeated Parsons 6-4 in the state championship Monday. The Rattlers were already qualified for the Midwest Regional by being the host, but now they will also enter the tournament as the Kansas champions. The Rattlers may see Parsons again since the runner-up will also be invited to represent Kansas since the Rattlers are the host. The Midwest Regional will begin July 31 at Seward County Community College's Brent Gould Field. Courtesy photo
