The Liberal High School Lady Redskin seniors will showcase their talents Monday during the Powerade scrimmage. The Redskins seniors, shown here, have been playing basketball together for years, including summer league. Hannah Rotolo (No. 1) will be a four-year starter for the Redskins at point guard. Kiara Cohens (No. 4) returns to the Lady Redskins after moving back to Liberal for her senior season. MaKayla McPhail has been a rock for the Lady Redskins as a standout volleyball and basketball player Briana Lucero (No. 23) has been a contributor from the bench and should play a key role in adding depth to the Lady Redskins.

Tameka Sanchez has continued to improve as is expected to have a break-out senior season.
