

American Legion, Auxiliary offering scholarships, deadline Feb. 15

Wednesday, 08 February 2012 13:40

The American Legion and Auxiliary has scholarships available to high school seniors, college freshmen or sophomores. Deadline for applications to the organization is Feb. 15. Several of the applications are for students of American Legion parents or descendents, having been members for three years. The music and athletic scholarships are accepted without that requirement.

Copies of applications may be picked up from the high school counselors or by calling 624-2964.
