City looks to utilize state program to increase housing
Housing Secretary Charles WELLS (D) talks about the state funds.
The State Capital Commission is looking for ways to increase housing in the state, and one way it might do that is by using state funds to help build more affordable housing. Housing Secretary Charles Wells said the state has a lot of money in its treasury, and he wants to see if it can be used to help build more affordable housing. Wells said the state has a lot of money in its treasury, and he wants to see if it can be used to help build more affordable housing.
