BEWARE Triceratops AHEAD
Seaver County officials are warning drivers to be cautious of triceratops in the area. The triceratops are a common sight in the area and can be dangerous if they are not properly handled. Drivers should be cautious and avoid driving through the area if they are not prepared to handle a triceratops. For more information, call 951-261-9000 or visit www.seavercounty.org.

Addition to school board meetings sets positive tone
Good things in news makers, clubs transfer

Seaver County officials are looking for a positive tone in the news makers and clubs transfer. The addition of a new member to the school board is expected to bring a fresh perspective to the board's operations. The news makers and clubs transfer is also expected to bring a new level of energy and commitment to the community.

County approves new upgrades at fairgrounds
Seaver County officials have approved new upgrades at the fairgrounds. The upgrades include new seating, lighting, and landscaping. The project is expected to be completed by the end of the year. For more information, call 951-261-9000 or visit www.seavercounty.org.

Support Equality
Seaver County officials are supporting equality and diversity in the community. They are committed to creating a safe and inclusive environment for all residents. For more information, call 951-261-9000 or visit www.seavercounty.org.
