Liberal man dies in 1-vehicle roll-over

By Tommie L. Williams
A 47-year-old liberal man died in a one-vehicle roll-over crash on Thursday morning in the 1000 block of South 10th Street, according to police.

The crash occurred at approximately 7:30 a.m. on South 10th Street between 10th and 11th Streets. The driver, identified as [Name], was traveling southbound on the street. The vehicle rolled over onto its side and came to a stop.

Police officers arrived at the scene and found the driver unresponsive. He was pronounced dead at the scene. The cause of the crash is still under investigation.

Small plane crash near Guyton kills 2

By Tommie L. Williams
A small plane crashed near Guyton, Okla., on Thursday, killing two people. The plane was flying low over the area when it crashed into a field.

The crash occurred at approximately 10:30 a.m. near the intersection of Highway 1 and Highway 2. The pilot and a passenger were both killed. The plane was a Cessna 441.

Police officers arrived at the scene and found the plane in a field. The cause of the crash is still under investigation.

NASA astronaut presents lecture

By Tommie L. Williams
A NASA astronaut presented a lecture to a group of students at the University of Oklahoma on Thursday. The lecture was part of a series of events celebrating the anniversary of the Apollo 11 mission.

The astronaut, [Name], spoke to a group of students in the [Location]. He discussed his experiences in space and the challenges of living and working in a microgravity environment.

The lecture was well-received by the students, who were interested in learning more about space exploration and the role of astronauts.

Students learn dangers of distracted driving include death

By Tommie L. Williams
A group of students at the University of Oklahoma learned the dangers of distracted driving during a lecture on Thursday. The lecture was part of a series of events aimed at reducing the number of distracted driving accidents.

The lecture was presented by [Name], who discussed the various ways that drivers can become distracted, such as using mobile phones, eating, or drinking. He emphasized that distracted driving is a leading cause of traffic accidents and deaths.

The students were encouraged to be more aware of their driving habits and to avoid distractions while on the road.

Planes agent Guyton Monday for Oklahoma Springs, Okla., wasn't recovered until Wednesday afternoon

By Tommie L. Williams
A plane agent in Guyton, Okla., was not recovered until Wednesday afternoon. The plane was found in a field near Guyton on Thursday morning.

The plane agent, [Name], was found in a field near Guyton on Thursday morning. The plane was a Cessna 441 and was found in a field near the intersection of Highway 1 and Highway 2.

The cause of the crash is still under investigation.

Two students at the University of Oklahoma learn about the dangers of distracted driving during a lecture on Thursday. The lecture was part of a series of events aimed at reducing the number of distracted driving accidents.
