**Almeida waives right to preliminary hearing**

By [Name] [Date]

Seattle Mayor Michael Burroughs announced today that he will waive his right to a preliminary hearing in the case of a woman who accused him of sexual assault. The woman, who is not named in the report, filed a criminal complaint against Burroughs in 2011. Burroughs was charged with second-degree sexual assault. He is currently on bond and has not yet been arraigned.

**City seeking volunteers to help with Seattle Sampler Festival**

The Seattle Sampler Festival, a celebration of the city's diverse cultures, is seeking volunteers to help with the event. The festival will take place on the waterfront in June. Volunteers will be needed for various tasks, including food preparation, cleanup, and guest services. For more information, visit the festival's website.

**'ASSASSINS' take aim**

By [Name] [Date]

A group of young men, known as the 'Assassins', are practicing their marksmanship skills at a shooting range. The group, which is part of a local shooting club, is preparing for an upcoming competition. They are using a variety of firearms, including rifles and handguns. The club's members are dedicated to the sport and are committed to safety and responsible gun ownership.

**Warden to be guest speaker at Lions Club meeting Monday**

The Warden of the Washington State Penitentiary will be the guest speaker at the monthly meeting of the Lions Club of Seattle. The meeting will be held on Monday at the club's headquarters. The Warden will discuss the challenges of managing a large prison facility and the impact of crime on the community.

**Friends Club to host fund-raiser**

The Friends Club is hosting a fund-raiser to support the club's activities. The event will be held on Saturday and will feature a variety of entertainment and food. The proceeds from the event will be used to fund the club's programs and services. For more information, contact the club's secretary.

**Workshop stresses importance of windbreaks**

By [Name] [Date]

A workshop on the importance of windbreaks was held at the University of Washington. The workshop was attended by students and faculty members. The speakers discussed the benefits of windbreaks, such as reducing energy consumption and improving air quality. They also discussed the different types of windbreaks and how to design them effectively.

**Bober Acts to host 'Sig & Sample'**

Bober Acts is hosting a 'Sig & Sample' event to celebrate the club's anniversary. The event will be held on Saturday and will feature a variety of entertainment and food. The club is looking for members and is open to anyone who is interested in the club's activities.
