DINOSAURS INVADING LIBERAL

Almeida waives right to preliminary hearing

Almeida, 34, was arrested on a warrant for a 2011 shooting in the 10000 block of West 10th St. He was charged with first-degree murder, armed robbery, and possession of a firearm by a felon. Almeida is currently being held in the Johnson County Jail. He has a previous criminal record, including a conviction for armed robbery in 2007. Almeida's attorney, David J. Hays, said his client is innocent and is being held in lieu of bond. Hays said Almeida is being held in the jail because he cannot afford a \$100,000 bond. Almeida is being held in the jail until his preliminary hearing on April 11. Almeida is being held in the jail until his preliminary hearing on April 11.

'ASSASSINS' take aim

Several people charged in the 2011 shooting in the 10000 block of West 10th St. were seen in a video that appears to be a reenactment of the crime. The video shows several people in a dark room, some of whom are holding firearms. The video is believed to be a reenactment of the crime, and it is being used as evidence in the case. Workshop stresses importance of windbreaks

A workshop on the importance of windbreaks was held at the Friends Church. The workshop was led by a professional and focused on the benefits of windbreaks for property protection and energy efficiency. The workshop was held at the Friends Church and was attended by several community members. The workshop was led by a professional and focused on the benefits of windbreaks for property protection and energy efficiency.

DINOSAURS INVADING LIBERAL

Liberal is being invaded by dinosaurs, according to a report from the Kansas Department of Transportation. The report states that a large number of dinosaurs have been sighted in the area, and they are causing significant damage to the infrastructure. The Kansas Department of Transportation is working to address the issue and protect the infrastructure. The report states that a large number of dinosaurs have been sighted in the area, and they are causing significant damage to the infrastructure.
