BE Liberal begins grassroots effort to mobilize community
Be Liberal has established a grassroots effort to mobilize the community in support of the Liberal Party of Canada. The effort is being led by the party's grassroots committee, which was formed in late 2012. The committee is currently working on a number of projects, including a grassroots campaign to get Liberal candidates elected in the upcoming federal election. The committee is also working on a number of other projects, including a grassroots campaign to get Liberal candidates elected in the upcoming federal election.

Rebreat helps establish community vision statement
The Rebreat community vision statement is a document that outlines the community's goals and aspirations. It was developed by a group of community members who met regularly to discuss the community's future. The vision statement is a key document for the community and will be used to guide future development and decision-making.
