### Superintendent Stout to resign, will leave Liberal

By Steve Hines, Liberal, Kan. (Special Contributor) — Superintendent Stout is expected to resign his position as superintendent of Liberal Public Schools and leave the district in the next few weeks. Stout, who has been in the position since 2008, is expected to resign on or around May 15, according to sources familiar with the situation. Stout's resignation comes after a period of uncertainty and speculation about his future in the district. Stout has been a vocal supporter of the district and has worked hard to improve the schools. However, there have been reports of disagreements between Stout and the school board, particularly regarding budget cuts and the district's future. Stout's resignation is expected to be a relief for the school board, which has been struggling to find a replacement for Stout. Stout's departure is expected to leave a void in the district's leadership, and the school board is expected to begin searching for a new superintendent soon.
