### Fire eliminates building from condemnation

A scheduled condemnation of a property in Liberal, Kansas, was eliminated after a fire destroyed the building. The property was owned by the Liberal Fire Department and was used as a storage building. The building was found to be in violation of the International Building Code and was scheduled for condemnation. However, the building was destroyed by a fire on April 15, 2013. The fire was caused by a gas leak from a furnace. The fire destroyed the building and the contents inside. The fire department is investigating the cause of the fire.
