Robert Davis, Extension Agent, Horticulture, University of Missouri Extension, is shown here giving tips on planting for the spring.

Planting tips, when real spring arrives

As a general rule, the best time to plant is when the soil is warm and the weather is mild. This is usually the best time to plant most plants, and it is also the best time to plant trees and shrubs. The best time to plant is when the soil is warm and the weather is mild. This is usually the best time to plant most plants, and it is also the best time to plant trees and shrubs.

Garden City school district community approach differs from that of Liberal

The Garden City school district is taking a different approach to budgeting than the Liberal school district. DINOSAURS INVADING LIBERAL
 After a million year slumber, dinosaurs are invading Liberal and the surrounding area. This is a great opportunity to see these prehistoric creatures in person. The dinosaurs are invading Liberal and the surrounding area. This is a great opportunity to see these prehistoric creatures in person.
