State explains increased employment numbers

The state's economy is showing signs of recovery, with employment numbers increasing in April. The state's unemployment rate is now at its lowest point in over a year. This is due to a combination of factors, including a strong performance in the services sector and a decline in the unemployment rate. The state's economy is expected to continue to grow in the coming months. For more information, contact the state's Department of Labor at 303.438.1818.
