Board updates prom policy

Elected leaders look at housing shortage

By [Name] [Email]

RESERVE YOUR SPOT NOW
City will has trees for sale through its tree program.

TREES AVAILABLE
Make plans to attend 12th Class of 2013 Baccalaureate.

The City of Toronto has a large inventory of trees for sale through its tree program. The trees are available for purchase at a special price of \$100 per tree. The trees are available in a variety of sizes and species, including maple, oak, birch, and poplar. The trees are available for purchase through the City's website at www.toronto.ca/trees.

The board of directors of the City of Toronto has updated its policy on housing. The new policy focuses on addressing the housing shortage in the city. The board has approved a new strategy that includes increasing the density of housing, providing incentives for developers, and improving the regulatory process. The board also approved a new policy on affordable housing, which requires developers to include a certain percentage of affordable units in their projects.

College nursing program rates high in state review
The College of Arts and Sciences has received a high rating in a state review of its nursing program. The review praised the program's curriculum, faculty, and student outcomes.

Mayhans know how to make plants grow

WEDNESDAY, MAY 15
Former 14th grad to speak on Mother's Day in Faith Tabernacle Church.

KINDS
The City of Toronto is looking for people to help with various projects. If you are interested, please contact the City at www.toronto.ca/kinds.

Mayhans, a family of horticulturists, has a long history of growing and selling plants. They are now looking for people who know how to make plants grow. They are interested in people who have experience in horticulture, landscaping, or plant care. They are looking for people who are passionate about plants and who are willing to work hard. They are offering a competitive salary and benefits package. If you are interested, please contact them at www.mayhans.com.
