Board updates prom policy

Elected leaders look at housing shortage
The City Board of Directors met on Tuesday, May 7, to discuss various city issues. The board members, including Mayor [Name] and Council Members [Names], discussed the city's budget, public works, and community development. A major focus was the housing shortage in the city, with board members discussing ways to attract new residents and improve the city's infrastructure. The meeting was held in the City Council Chamber, and a public hearing was also held to allow citizens to voice their concerns.

Mayhans know how to make plants grow

College nursing program rates high in state review

The College of Nursing at the University of Missouri-St. Louis has received a high rating in a state review of nursing programs. The review, conducted by the Missouri State Board of Nursing, evaluated the college's curriculum, faculty, and student outcomes. The college was praised for its comprehensive curriculum and strong emphasis on clinical practice. The high rating is a testament to the college's commitment to excellence in nursing education.
