2-vehicle collision injures 1
 A two-car pileup on Highway 101 in the High Plains area on Tuesday resulted in one person being injured and property damage. The collision occurred at the intersection of Highway 101 and Highway 102. The driver of the white sedan was injured and taken to the hospital. The driver of the black sedan was not injured. The cause of the collision is still under investigation.

Truancy program reports success
 The High Plains Truancy Program has reported a significant decrease in truancy rates over the past year. The program, which involves regular communication with parents and the school district, has been successful in getting students back to school. The truancy rate has decreased from 15% last year to 8% this year.

High Plains
 The High Plains area is experiencing a period of economic growth. The local economy is showing signs of recovery, with many businesses reporting increased sales. The area is also seeing an influx of new residents, which is contributing to the growth. The local government is working to support the growth and improve the quality of life in the area.
