2-vehicle collision injures 1

The two-vehicle collision on Saturday afternoon on Highway 101 near the intersection of Highway 101 and Highway 101 resulted in one person being injured and two vehicles being damaged. The accident occurred at approximately 1:30 p.m. on Saturday, May 4, 2013. The driver of the white sedan was injured and taken to a local hospital. The driver of the black sedan was not injured. The cause of the accident is still under investigation.

Truancy program reports success

The truancy program has reported a significant decrease in truancy rates over the past year. The program, which was implemented in 2012, has been successful in identifying and addressing the needs of students who are frequently absent from school. The program has also provided support and resources to parents and teachers to help students stay on track in school.
