New small businesses looking at Liberal

TOBY HILL
 It's not just the politicians, but the voters who are looking at the Liberal Party as a viable option for their small businesses. The party's economic plan, which promises to cut taxes and create jobs, is attracting attention from entrepreneurs who are looking for a government that will support their growth.

College to offer music disaster camp in June and July
 The University of Regina is offering a music disaster camp for students in June and July. The camp is designed to help students cope with the stress of a disaster and to provide them with a safe and supportive environment. The camp will be held at the University of Regina and will be open to all students.

4-8 announces Summer Fun program kids off with fishing at Aklavik
 The Aklavik community is excited to announce the Summer Fun program for kids. The program will include fishing, arts and crafts, and other fun activities. The program is designed to help kids have a safe and enjoyable summer while also learning about the local environment.

Students share truancy stories at school board meeting

STUART HILL
 A group of students from the Aklavik school district shared their truancy stories at a school board meeting. The students discussed the reasons for their truancy, such as lack of motivation, family issues, and transportation problems. The school board is committed to addressing these issues and providing support for students who are struggling to attend school.

THURSDAY JUNE 13
 College's honor society orders for graduation bouquets
 The University of Regina's honor society has ordered graduation bouquets for the class of 2013. The bouquets are designed to be a beautiful and meaningful gift for graduates and their families.

Doctor brings 2 new lasers to Liberal

Dr. Alan adds two new lasers to his practice at the Liberal Health Centre. The new lasers will be used for a variety of medical treatments, including laser therapy for pain management and laser skin treatments. The addition of these new lasers is a significant investment in the center's medical services.

The photo shows a patient being treated with the Laser Center laser machine in the office. The machine is a state-of-the-art laser used for various medical treatments.

FORWARDING BILL
 The bill will allow for the forwarding of mail to a new address. This will be a convenient service for people who are moving and want to ensure that their mail is delivered to their new home.

DINOSAURS INVADING LIBERAL

Ontario is facing a new wave of dinosaur-themed businesses and products. From dinosaur-themed clothing to dinosaur-themed food, these businesses are capitalizing on the popularity of dinosaurs. This trend is expected to continue for some time.
