**Dance Images instructors watch daughters perform last dance**  
In 1967, the first dance images were created. The images are a record of the dance floor, capturing the energy and excitement of the moment. Today, dance images are a popular way to commemorate special occasions, such as proms and weddings. The images are often used as a keepsake or as a gift for friends and family.

**Downsides business setting the groundwork for expansion**  
Business is booming, but setting the groundwork for expansion is essential for long-term success. This involves creating a solid business plan, identifying potential risks, and establishing a strong financial foundation.
