### Holder to face tough questioning at House hearing

By [Name] [Photo]

U.S. Attorney General Eric Holder Jr. is expected to face tough questioning at a House hearing on Wednesday, May 15, regarding the Justice Department's handling of the investigation into the 2009 shooting of a U.S. Marine in Iraq.

The hearing will be held in the House Judiciary Committee and will be chaired by Rep. Louie Gohmert (R-Texas). Holder is expected to be questioned about the Justice Department's decision to grant immunity to the two U.S. Marines who were accused of the shooting.

Holder's attorney, John Garvey, has said that his client is "pleading innocent" to the charges. He has also said that the Justice Department's investigation was "thorough and fair."
