SW Guidance Center director talks about state's new mental health plan

By KIMBERLY HARRIS
The new mental health plan for North Carolina, unveiled last week, is a landmark document that will change the way the state approaches mental health care, according to the director of the state's largest mental health provider.

Dr. Robert M. L. Jones, director of the state's largest mental health provider, the Western Piedmont Guidance Center, said the new plan is a landmark document that will change the way the state approaches mental health care. Jones said the plan is a landmark document that will change the way the state approaches mental health care.

Grain truck swerves to miss camper

By KIMBERLY HARRIS
A grain truck swerved to miss a camper on a highway in the western part of the state on Thursday, according to a police officer.

The grain truck was traveling in the westbound lane of the highway when it swerved to miss the camper. The driver of the truck was not injured, and the camper driver was also unharmed. The incident occurred on Thursday morning.

4-44 announces Summer Fun program, kicks off with tubing at Aldrich

By KIMBERLY HARRIS
The 4-44 program, which provides a variety of activities for children, is kicking off its summer season with tubing at Aldrich on Thursday.

The 4-44 program, which provides a variety of activities for children, is kicking off its summer season with tubing at Aldrich on Thursday. The program is designed to provide children with a fun and safe way to enjoy the outdoors.

City still has miles to ride through its tree program

By KIMBERLY HARRIS
The City of Concord is still in the middle of its tree program, which aims to plant a million trees in the city by the end of the year.

The City of Concord is still in the middle of its tree program, which aims to plant a million trees in the city by the end of the year. The program is designed to improve the city's environment and provide shade for residents.

Anticipating growth

By KIMBERLY HARRIS
The city is anticipating growth in the coming years, and is planning to build new schools and roads to accommodate the increase in population.

The city is anticipating growth in the coming years, and is planning to build new schools and roads to accommodate the increase in population. The city is also planning to build new parks and recreational facilities.

Demographer gives school board data on what lies ahead

By KIMBERLY HARRIS
A demographer has provided the school board with data on the projected growth of the district, which will help the board plan for the future.

A demographer has provided the school board with data on the projected growth of the district, which will help the board plan for the future. The data shows that the district is expected to grow significantly in the coming years.
