Alley or road?
 Alley has a street name, playgrounds later, and a long way to go

The road isn't built yet, but it will be. It's the alleyway that runs through the heart of the city, a narrow strip of asphalt that has been there since the city was founded. It's a place where the old and the new meet, where the past and the future are intertwined. The alleyway is a place where the city's history is preserved, where the city's identity is maintained. It's a place where the city's soul lives on.
