County looks to repair portions of courthouse roof
By Jason S. Dow
Lynchburg, Va. (AP) — Seward County is looking to repair portions of its courthouse roof, a project that could cost as much as \$1 million, according to a county spokesman. The county is currently in the process of evaluating the damage to the roof, which was last repaired in 1998. The county is also looking for contractors to bid on the project. The county is currently in the process of evaluating the damage to the roof, which was last repaired in 1998. The county is also looking for contractors to bid on the project.
