### Rep. votes 'no' on bill to freeze Common Core

Risk of returning to No Child Left Behind too high

By KYLE CHAMBERS  
WYOMING CITY

The House Education Committee passed a bill Tuesday that would prevent the federal government from imposing Common Core standards on states that have opted out of the program. The bill, H.R. 1592, was passed by a 21-19 vote. The House is expected to vote on the bill later this week.

### Be Liberal group begins training process

Communities either grow or die, says legislator

By KYLE CHAMBERS  
WYOMING CITY

A group of lawmakers and community leaders is beginning a training process to help communities in Wyoming that are struggling to survive. The group, called the Be Liberal group, is led by Rep. Tom Cline. The group will meet with communities to discuss their needs and provide them with resources and support.

### Hospital seeking focus group participants

For community members 18 and older

For Mountain community members 18 and older

The hospital is seeking participants for focus groups to discuss their experiences with the hospital. The focus groups will be held on June 11 and 12. The hospital is seeking participants from the community and Mountain community.

### Technology gives birth to virtual schooling

Students learn from home

By KYLE CHAMBERS  
WYOMING CITY

Virtual schooling is becoming a reality in Wyoming. Students are now able to learn from home using technology. This allows students to learn at their own pace and in a more personalized way. Virtual schooling is also more cost-effective than traditional schooling.

### Trampoline takes off over houses, ends up in tree

Parents warn of safety hazards

By KYLE CHAMBERS  
WYOMING CITY

A trampoline was launched over a house and landed in a tree during a storm. The incident occurred in a residential area. Parents are warning of safety hazards associated with trampolines during storms.
