### A Nielsen survey says Liberal is third in the nation for eatery growth potential

By KYLE CLAYTON

Liberal, Mo., is one of the nation's most promising markets for new restaurants, according to a Nielsen survey released last week. The survey ranked Liberal as the third most promising market for new restaurants in the United States, behind only Chicago and New York City.

The Nielsen survey, which is based on data from a survey of 1,000 consumers, ranked Liberal as the third most promising market for new restaurants in the United States, behind only Chicago and New York City. The survey ranked Liberal as the third most promising market for new restaurants in the United States, behind only Chicago and New York City.

### State explains Lexis Law concerning day care regulations

By KYLE CLAYTON

The process of reviewing legislation that affects the state's day care system is a complex one, according to a report from the Missouri Department of Social Services. The report explains the Lexis Law, which is a new law that will affect day care regulations in the state.

The Lexis Law, which is a new law that will affect day care regulations in the state, is a complex one. The report explains the Lexis Law, which is a new law that will affect day care regulations in the state.
