### ADA has connection to day care

**Remember drive-in movies?**  
If you're a fan of the classic drive-in theater, you'll want to see the new movie, "The Drive-In," which is now playing at the drive-in theaters in the area. The movie is a comedy about a drive-in theater that is struggling to stay afloat in a world where drive-in theaters are becoming a thing of the past. The movie is a fun and nostalgic look at a classic American pastime.

### Local law enforcement runs cattle disease drill

**Local law enforcement runs cattle disease drill**  
Law enforcement agencies in the area are conducting a large-scale drill to test their response to a potential cattle disease outbreak. The drill involves a large truck carrying a simulated outbreak, with law enforcement agencies working to contain and manage the situation. The drill is a crucial part of the region's preparedness for such an event.

### Big Brothers Big Sisters launches program to keep kids active

**Big Brothers Big Sisters launches program to keep kids active**  
The Big Brothers Big Sisters organization has launched a new program to help keep children active and engaged. The program, called "Active Kids," provides supervised and structured activities for children, helping them build self-esteem and develop positive relationships. The program is a key part of the organization's mission to provide support and guidance for at-risk youth.

### Thursday winds blow semi off roadway

A semi-truck overturned on its side on a road, with emergency responders nearby.
