Always a Redskin  
LIBERAL HIGH SCHOOL

The Liberal High School Redskin mascot is being reunited with its roots. The school is planning to commission a new Redskin mascot that will be based on the traditional Redskin mascot that was used by the school in the past. The new mascot will be a more accurate representation of the Redskin people and will be a source of pride for the school. The school is proud of its history and its traditions, and the new mascot will be a reflection of that.
