**College offers numerous energy industry safety training courses**  
Several Central Kansas Community College classes are offering energy industry safety training courses. The courses are designed to help students learn about safety in the energy industry.

**Events help kids be more aware of hunger, how to help others**  
A group of children from the local community center participated in a food drive and awareness event. The children learned about hunger and how they can help others in need.

**Business intent to share info with new teachers**  
Local business leaders are planning to share information with new teachers. The goal is to help new teachers get settled in their classrooms and provide them with the resources they need to succeed.

**Country walking to fill library boards**  
A group of people are walking to fill library boards. The walk is a fundraiser for the local library and aims to raise awareness about the importance of libraries in the community.

**Mission trip intends to help children in need**  
A mission trip is planned to help children in need. The trip will involve visiting various communities and providing support and resources to children who are facing challenges.
