College offers numerous energy industry safety training courses
Several Central Oklahoma College courses have been approved for credit by the Oklahoma State Board of Regents. The courses are designed to provide students with the necessary skills and knowledge to work safely in the energy industry.

Events help kids be more aware of hunger, how to help others
A group of children from the local community participated in a food drive and awareness event. The children were taught about the importance of food and how to help those in need.

CALL NOW
Business needed to share info with new teachers
The Oklahoma State Board of Regents is seeking information from new teachers regarding their needs and preferences. This information will be used to develop programs and services that better support new teachers.

TUESDAY, AUG. 6
Country walking to fill history books
A group of volunteers will be participating in a country walking event to raise funds for the Oklahoma State Board of Regents. The event will take place on Tuesday, August 6th.
