Developer asks for multi-year delay on wind farm

By [Name] [City]

Sevier County officials are asking for a multi-year delay on a proposed wind farm project near the town of Sevier. The project, which would consist of 100 turbines, is currently scheduled to begin construction in late 2013. However, the county is concerned about the potential impact on the local economy and the environment. The county is requesting a delay of at least two years to allow for further study and planning.

Firefighters douse hay bale fire after battling blaze for more than 48 hours

By [Name] [City]

Firefighters battled a large fire that broke out in a hay field near the town of Sevier for more than 48 hours. The fire, which started on Sunday night, was caused by a lightning strike. The firefighters used a large amount of water to douse the fire, and the fire was finally extinguished on Wednesday morning. The fire caused significant damage to the hay field, and the firefighters are still working to clean up the area.

Opening night proves successful for Rainbow Players

By [Name] [City]

The opening night of the Rainbow Players' production of "The Sound of Music" was a success. The production, which is being performed at the Sevier County Community Center, drew a large crowd of spectators. The cast of performers, including both adults and children, gave a memorable performance. The production is scheduled to continue through the end of the month.
