**Back to school preparation begins with immunizations**  
The health department is offering immunizations for children. The immunizations are free and available at the health department. The immunizations are for children aged 12 months to 18 years. The immunizations include the following: DTP, Hib, Polio, MMR, and Hepatitis B. The immunizations are available from July 15 to July 19, 2013. The health department is located at 48 Village Plaza, Ashcroft, B.C.

### Plans for wind farm put on hold

Plans for a wind farm in the area of the former coal mine have been put on hold. The project was initially approved by the local government, but it has since been delayed due to various factors. The wind farm was intended to provide a source of clean energy and create jobs in the area. However, the local community has expressed concerns about the impact of the wind farm on the environment and the local economy. The project is currently on hold, and the local government is working to address the concerns of the community.
