Grace provides day care solution
By Robert Wolfe
Normal, Ill.

Earlier this week, I shared how Normal, Ill., is experiencing a growth in day care facilities. One of the newest additions to the area is Grace Child Care Center, which is set to open in late August. The center is located in the historic building that once housed the Normal Public Library. The building is a beautiful example of early 20th-century architecture and has been recently renovated to provide a safe and comfortable environment for children. Grace Child Care Center is a licensed facility that will offer full-day care for children aged 2 to 5. The center is staffed by experienced educators and will provide a variety of educational and enrichment activities. The building is also wheelchair accessible, making it a great option for families with children who have special needs. Grace Child Care Center is a wonderful addition to the Normal community and will provide a high-quality day care solution for local families.

Coronado offers chance to win unique Oz memorabilia

By Robert Wolfe
Normal, Ill.

Coronado, Ill., is offering a chance to win unique Oz memorabilia. The town is celebrating its 100th anniversary and is holding a contest where residents can win prizes by submitting photos of their favorite Oz memorabilia. The contest is open to all residents and is a great way to celebrate the town's history. Prizes include a cash award, a gift certificate, and a special commemorative item. The contest is a fun and exciting way to engage the community and celebrate the town's centennial.

MDA JAILBIRDS SCRAMBLE FOR BAIL MONEY

Two Olathe, Mo., men, while on probation for MDA, were arrested for failing to pay bail. The men are now in jail and are scrambling for money to pay their bail. The MDA is a community organization that provides support and resources for people with disabilities. The men's situation is a reminder of the financial challenges that can arise for people with disabilities and the importance of community support.
