**County to seek public input on health needs**

By Larry Phillips  
 Liberty, Mo. — The Liberty Health Department is seeking public input on the health needs of the community. The department is currently conducting a health needs assessment and will be holding public meetings to discuss the findings. The meetings will be held on August 14th and 15th at the Liberty High School. The department is also seeking input on the health needs of the community through a survey that will be available on the department's website.

**Garden City's growth tied to private/public financing**

By Larry Phillips  
 Garden City, Mo. — The growth of Garden City, Mo., is largely due to the financing provided by private and public entities. The city has seen significant development in recent years, including the construction of new housing and commercial buildings. This growth has been supported by a combination of private investment and public financing. The city has also seen an increase in the number of businesses and jobs, which has led to a steady increase in the population. The city's success is a result of the partnership between the private and public sectors.

**Quiet Support**

Mothers find support at fair's breastfeeding coalition booth  
 By Larry Phillips  
 A coalition of breastfeeding advocates found quiet support at a recent fair. The coalition, which includes the Liberty Health Department and other local organizations, was able to provide information and support to mothers who were breastfeeding their infants. The coalition booth was a popular attraction at the fair, and many mothers expressed their appreciation for the support provided. The coalition is committed to providing ongoing support and resources to breastfeeding mothers in the community.

**Ha murder suspect posted photo of wife's body**

By Larry Phillips  
 A man suspected of murdering his wife posted a photograph of her body on Facebook. The suspect, who is currently in custody, posted the photograph to his Facebook profile. The photograph showed the victim's body lying on the ground. The suspect's actions have caused a great deal of concern and outrage in the community. The police are currently investigating the case and are looking for any additional information that could help identify the suspect. The victim's family is also seeking justice and is looking for any information that could help them identify the suspect.

**Southwest Kansas Beneficial Friends Coalition**

The Southwest Kansas Beneficial Friends Coalition is a group of individuals who are committed to providing support and resources to those in need. The coalition is currently working on a number of projects, including providing food and clothing to those in need, and providing financial assistance to those who are struggling. The coalition is also working on raising awareness of the needs of the community and is looking for ways to help address these needs. The coalition is a valuable resource for those in need and is committed to providing ongoing support and resources to the community.
