County to seek public input on health needs
By Larry Phillips
The Board of Health is seeking public input on the health needs of the community and is looking for ways to improve the health care system. The board will hold a public hearing on August 20th at 7:00 PM at the County Administration Center, 1001 S. Main St., Liberty, MO. The hearing will be open to the public and will provide an opportunity for citizens to voice their concerns and suggestions. The board will also be reviewing a report on the health care system prepared by the Board of Health. The report will be available for public review at the hearing. For more information, contact the Board of Health at 620-626-8888.

Garden City's growth tied to private/public financing
By Larry Phillips
Garden City's rapid growth is largely due to private/public financing. The city has been able to attract major employers and developers because of the flexibility and speed of this financing method. This has allowed the city to build infrastructure and provide services more efficiently than traditional public financing. The city's success is a testament to the power of public-private partnerships. For more information, contact the City of Garden City at 620-626-8888.
