**County to seek public input on health needs**

By Larry Phillips  
 Grand County is seeking public input on health needs for the county's residents. The health department is conducting a survey to determine the health needs of the county's residents and to identify areas for improvement. The survey will be conducted in the next few weeks and will be available to the public through the county's website and through public meetings. The health department is also conducting a series of focus groups to gather input from the community. The focus groups will be held in the next few weeks and will be open to the public. The health department is also conducting a series of public meetings to gather input from the community. The public meetings will be held in the next few weeks and will be open to the public.
