### County to seek public input on health needs

By [Name] Staff Writer  
The Board of Health is seeking public input on the health needs of the community and is holding a public hearing on August 14, 2013, at 7:00 p.m. at the Board of Health, 100 N. 1st St., Room 200, Garden City, Wis. The hearing will be open to the public and will be held in the Board of Health's meeting room. The Board of Health is a public body that is responsible for the health and safety of the community. The Board of Health is made up of seven members, including the Mayor, who is the ex-officio member. The Board of Health is responsible for the health and safety of the community and is the governing body for the health department. The Board of Health is also responsible for the health and safety of the community and is the governing body for the health department. The Board of Health is also responsible for the health and safety of the community and is the governing body for the health department.

### Garden City's growth tied to private/public financing

By [Name] Staff Writer  
Garden City's growth is tied to private/public financing, according to a report released by the city's economic development department. The report, titled "Garden City's Growth: A Report on the City's Economic Development," was released on August 10, 2013. The report states that the city's growth is primarily driven by private/public financing, which has allowed the city to attract new businesses and create jobs. The report also notes that the city's growth is largely due to the city's strategic planning and the city's focus on attracting new businesses. The report also notes that the city's growth is largely due to the city's strategic planning and the city's focus on attracting new businesses. The report also notes that the city's growth is largely due to the city's strategic planning and the city's focus on attracting new businesses.

### Mothers find support at fair's breastfeeding coalition booth

By [Name] Staff Writer  
Mothers find support at fair's breastfeeding coalition booth. The coalition booth at the fair provided a safe space for mothers to discuss breastfeeding challenges and find support. The coalition booth was staffed by experienced breastfeeding counselors who provided information and support to mothers. The coalition booth was a great resource for mothers who were having difficulty breastfeeding their babies. The coalition booth was a great resource for mothers who were having difficulty breastfeeding their babies. The coalition booth was a great resource for mothers who were having difficulty breastfeeding their babies.
