Liberal man faces 32 months in prison
A federal judge has sentenced a man to 32 months in prison for a federal conspiracy charge. The man, who is a member of the Liberal Party, was found guilty of conspiring to defraud the federal government. The judge said the man had conspired with others to defraud the government of millions of dollars. The man was sentenced to 32 months in prison, with credit for time served. He will be released in approximately 18 months.

City to propose 4.8 mill levy increase
The City of Liberty is expected to propose a 4.8 mill levy increase to fund various city services. The increase is necessary to maintain the city's infrastructure and provide quality services to its residents. The city council will meet next week to discuss the proposal. The city manager will also be presenting the proposal to the voters. The city is currently facing a budget deficit and needs additional revenue to cover its expenses. The 4.8 mill increase is the highest in the city's history. The city is asking voters to support the increase to ensure the city's future.

Girl Scouts help local agency
The Girl Scouts of the South Florida Council are helping a local agency provide services to the community. The girls are participating in a service project where they are collecting and distributing supplies to the agency. The girls are also providing emotional support to the agency's clients. The girls are proud of their contribution to the community and are looking forward to their next service project. The agency is grateful for the girls' help and is providing them with a certificate of appreciation. The girls are also receiving a reward for their service. The agency is currently providing services to a number of clients who are in need of help. The girls' help is making a difference in the lives of these clients. The agency is committed to providing quality services to all clients and is grateful for the support of the community. The girls' service project is a great example of the power of teamwork and community service.
