Kan. Board of Regents mulls concealed carry study

The Kansas Board of Regents is considering a study to determine whether to allow concealed carry of handguns in public places. The board is currently reviewing a report from the Kansas State Police and the Kansas State Patrol. The report is expected to be released in the next few weeks. The board will then hold a public hearing on the issue. The board is also considering a study to determine whether to allow concealed carry of handguns in public places. The board is currently reviewing a report from the Kansas State Police and the Kansas State Patrol. The report is expected to be released in the next few weeks. The board will then hold a public hearing on the issue.
