Property or pennies? School, city begin discussion

By Mike O'Connell
The city of Sevier and the school district are beginning discussions about how to fund a new elementary school. The school board is expected to vote on the issue in the next few weeks. The city is currently looking for a site for the new school. The school board is also considering the possibility of a bond issue to fund the school. The city is currently looking for a site for the new school. The school board is also considering the possibility of a bond issue to fund the school.

Should school funding choices be in voters' hands?
